Construction Manager at Risk holds second sub-contractor fair
Monday, October 6, 3:30 to 5:30 p.m.

Balfour Beatty, the construction manager at risk for the Ellis County bond project approved by voters in May of 2007 will hold a second sub-contractor fair at the Waxahachie Civic Center on Monday, October 6 from 3:30 to 5:30 p.m. The format and information will be the same as that of the September 25 event.

At the fair, individuals and businesses will have the opportunity to learn more about the overall project, which includes the courts and administration building, jail addition, and parking garage. Project documents will be available for review. Along with representatives from Balfour Beatty, representatives from the project's architectural firm, HDR, will be on hand to answer questions about design and construction, as well as the bidding process. The event will also provide an opportunity for potential sub-contractors to meet with other companies with whom they may want to team up in order to bid competitively on the project.
