Article II. Bondsman Licensing

Rule 201. Bondsman Application

Any person desiring to act as a bondsman in any court of Ellis County shall first file with the Board a sworn, completed application on a form approved by the Board and provided by the Secretary. Any person desiring to act as a corporate bondsman must file a separate application for each agent operating under a corporate power of attorney.

Rule 202. Application Attachments

If the application for a bondsman's license requires an enclosure or an appendix, same shall be firmly affixed to the application and included within the oath as if set forth in the body of the application.

Rule 203. Assumed Name

If an applicant proposes to do business under an assumed name, the applicant shall provide proof showing registration of said assumed name with the County Clerk of Ellis County. A licensee shall not operate under more than one assumed name for a bail bond business in Ellis County at any given time.

Rule 204. Application Requirements

Applications shall be submitted to the Secretary at the office of the Board with an original and thirteen (13) copies. The application shall be accompanied by payment of a fee of \$500.00, two recent passport-sized photographs of the applicant, and a set of fingerprints of the applicant taken by the Ellis County Sheriff's Office on a form approved by the Board and provided by the Sheriff. The Applicant may redact the social security numbers, driver's license numbers, and dates of birth from the thirteen (13) copies, but not the original application.

Rule 205. Bondsman Investigation

- (a) Upon receiving an application, the Secretary or Assistant Secretary shall conduct an investigation of the applicant to determine whether the applicant meets the requirements of the Act and the Rules. If the Secretary or Assistant Secretary determines that the applicant does not meet the requirements of the Act and the Rules, then the Secretary or Assistant Secretary will notify the Applicant in writing of his or her determination not less than seven (7) days prior to the meeting at which the application is to be considered.
- (b) Upon completion of such investigation, the Secretary, Assistant Secretary, or the Secretary's designated agent shall furnish a complete copy of all reports together with a copy of the application to each member of the Board not less than seven (7) days prior to the meeting at which the application is to be considered.
- (c) Applications shall be considered at each regular meeting of the Board.

Rule 206. Bondsman Appearance

Each applicant shall be notified by the Secretary or Assistant Secretary to appear in person, or in the case of a firm or corporation by designated representative, before the Board on the date his application is to be considered for such interrogation under oath as the Board or any of its members shall deem proper. The Board shall not approve an application unless the applicant is present.

Rule 207. Application Consideration

Discussion of applicants and applications by the Board shall be in open session.

Rule 208. Approval & Security Requirements for Individuals

- (a) The Board shall vote on each application. The Board shall not approve an application unless the applicant has complied with the requirements of the Act and these Rules.
- (b) Upon notice from the Board that an application of a person to act as a bondsman has been tentatively approved, the applicant shall then:

- (1) deposit with the Ellis County Treasurer a cashier's check, an automatically renewable certificate of deposit (which shall include an assignment, on a form approved by the Board, of the principal to "Ellis County Texas"), cash, or cash equivalent in the amount indicated in the licensee's application, but in no event less than \$50,000.00, to be held in a special fund to be called the "Bail Security Fund'," subject to the provisions of the Act; or
 - (2) execute to and file on behalf of the County of Ellis deed(s) of trust to the property listed by the applicant on his application, which property shall be valued in the amount indicated on an appraisal by a real estate appraiser who is a member in good standing of a nationally recognized professional appraiser society or trade organization that has an established code of ethics, educational program and professional certification program, but in no event less than \$50,000.00 valuation. The conditions of the trust shall be that the deed(s) may be recorded to satisfy any final judgment forfeitures that may be made in bonds on which the licensee is surety after such notice and upon such conditions as are required by the Code of Criminal Procedure, in bond forfeiture cases. The deed(s) of trust, duly acknowledged, shall be filed in the Deed Records in which the property is located. The applicant shall swear in such deed(s) of trust that the property is free and clear of any and all liens and encumbrances, and that the applicant will keep said property clear of any and all liens and encumbrances so long as it is used as security hereunder. Applicant shall pay the filing fee for the filing of the instrument(s). On or before pledging real estate and by February 15th of each year thereafter, paid tax receipts showing proof that all taxes due have been paid in full for the county, school district, and city, as well as any other ad valorem taxes on said pledged property; or
 - (3) in lieu of cash or other cash equivalent, furnish to the Sheriff an irrevocable letter of credit payable to Ellis County, in a form acceptable to the Sheriff, to satisfy any final judgment of forfeiture that may be made on any bonds on which the licensee is surety.
- (c) Failure of the applicant to keep the property described in Rule 208(b)(2) free and clear of any and all liens and encumbrances shall be grounds for revocation of the bondsman's license. The Board may waive certain liens and encumbrances which, in its discretion, it views as having an inconsequential impact upon the value of the property used as security. Additionally, a copy of a current casualty insurance policy, naming Ellis County as loss payee insuring improvements must be provided on such pledged real property.
 - (d) Applicant may, from time to time, request substitution of security. The Board, in its discretion, may approve the substitution of security for good cause.
 - (e) In increments of not less than \$10,000, applicant may present additional security in support of a license at any time. Applicant must deposit additional security in the

same manner as described in Rule 208(b). The treasurer shall maintain a list of securities held on behalf of licensees, clearly indicating the total security on deposit for each licensee, and present a copy of the list to the Sheriff and the Secretary of the Board immediately following the approval of a license and following any change in the security amount.

- (f) If a licensee ceases to engage in the business of executing bail bonds and ceases to maintain a license, the licensee may apply to the Board for a release of securities. The Board may require such evidence as is necessary to determine that there are no judgments or bond liabilities, either actual or potential, outstanding against the licensee before approving a release of security.
- (g) No bondsman may execute, in any county, bail bonds that in the aggregate exceed ten (10) times the value of the property held as security or in trust.

Rule 209. Approval & Security Requirements for Corporations

- (a) The board shall vote on each application. The Board shall not approve an application unless the applicant has complied with the requirements of the Act and these Rules.
- (b) The corporation shall file, with the Ellis County Clerk, a power of attorney, designating and authorizing the named agent of such corporation to execute bail bonds and present a copy of said power of attorney, which has been certified by the Ellis County Clerk, to the Secretary of the Board.
- (c) Wherever in this Act any person is required or authorized to give or execute any bail bond, such bail bond may be given or executed by such principal and any corporation authorized by law to act as surety. When any such corporation authorized by law to act as a surety undertakes to be a surety on a bail bond qualifying under Rule 208(b) Subsection (1), such corporation, before being acceptable as a surety on a bail bond, shall be required to meet the applicable requirements prescribed by Rule 208 of this Act before being acceptable as surety on a bail bond;
- (d) The certificate of authority to do business in this state issued to a corporation by the State Board of Insurance pursuant to Article 8.20, Insurance Code, as amended, shall be conclusive evidence as to the sufficiency of the security, the corporation's solvency, or its credits. Subsection (g) of Rule 208 does not apply to a corporate surety acting under the Texas insurance Code.
- (e) Any corporation which acts as a surety shall, before executing any bail bond, first file in the office of the county clerk of the county where such bail bond is given a power of attorney designating and authorizing the named agent of such corporation to execute such bail bonds by such agent. This power of attorney shall be a valid and binding obligation of the corporation. A separate license is required for each agent operating under a corporate power of attorney.

- (f) Notwithstanding any statutory requirements to the contrary, any agent so designated and licensed or approved hereunder for the purpose of writing bail bonds shall not be required to be licensed as a local recording agent as defined in “Texas Property and Casualty Agents License Act” Article 21.14, Texas Insurance Code, as amended, for the purpose of this Act.
- (g) It shall be the duty of the board to notify promptly the State Board of Insurance of default by a corporation on any financial obligation which it undertakes in the county.

Rule 210. License Expiration

- (a) A license and identification card issued to a licensee or corporate agent under these Rules shall expire 24 months after the date of their issuance if the license:
 - (1) has been issued for less than eight consecutive years; or
 - (2) has been suspended.
- (b) A person who applies to renew a license that has been held by the person for at least eight consecutive years without having been suspended or revoked under these Rules or under Chapter 1704 “Regulation of Bail Bond Sureties” of the Texas Occupations Code and who complies with the requirement of these Rules and Chapter 1704 of the Texas Occupations Code may renew a license for a period of 36 months from the date of expiration if the board:
 - (1) knows of no legal reason why the license should not be renewed; and
 - (2) determines that the applicant has submitted an annual financial report to each county bail bond board before the anniversary date of the issuance of the applicant’s license.

A license renewed under this Rule may be renewed subsequently each 36 months in a similar manner.

Rule 211. License Renewal

Renewal applications shall be received not more than sixty nor less than thirty-one days prior to the expiration date of a license. Renewal applications shall have the same form, content and fee as an application for an original license. Rule 212. Convictions

A person may not accept or receive from a license holder money, property, or any other thing of value as payment for employment with a bonding business if, within the preceding 10

years, the person has been convicted of a misdemeanor involving moral turpitude or of a felony.

Rule 213. Change in Information

- (a) All licensees shall inform the Board by affidavit of any change in the information contained in their original applications or renewal applications within ten days of the change. A licensee shall immediately inform the Secretary of the Board and the Sheriff in writing if the licensee ceases to be actively engaged in the bail bond business.
- (b) All amending affidavits shall be made under oath by the licensee, stating specifically the provisions of the license sought to be amended, the reasons why said application should be amended, and what the application, after amendment, shall state.

The Applicant may redact the social security numbers, driver's license numbers, and dates of birth from the thirteen (13) copies, but not the original application.

Rule 303. Employee Investigation

Upon receiving an employee application, the Secretary shall conduct an investigation of the applicant to determine whether the applicant meets the requirements of these Rules. If the Secretary or Assistant Secretary determines that the applicant does not meet the requirements of the Act and the Rules, then the Secretary or Assistant Secretary will notify the Applicant in writing of his or her determination not less than seven (7) days prior to the meeting at which the application is to be considered.
