SUBMITTAL REQUIREMENTS **USE of FLAME EFFECTS PERMIT**

The following requirements have been established for the submittal for permits for the use of flame effects within this jurisdiction. Permit applications must be submitted in entirety at least 10 days prior to the date of display. Submittals not conforming to these minimum requirements will be returned as incomplete.

Submittal Requirements (the following must be included in submittal)

1. Narrative Description of the flame effect
2. The location of the flame effect devices to be fired and their controls and control sequence
3. The area(s) affected by the flame effect device
4. The location of the audience
5. The fuels used and their estimated consumption
6. For indoor effects, air for combustion and ventilation
7. Flammable materials piping
8. Storage and holding areas and their capacities
9. Supplemental fire protection features
10. Emergency response procedures
11. Means of egress

At least one Texas pyrotechnic special effects operator's licensee must be present on-site at all times where flame effects are used, discharged, or ignited.

**Applicant must provide evidence of insurance
as required by Section 2154.207**

**NOTE: A FIELD INSPECTION SHALL BE PERFORMED TO
DETERMINE ANY ADDITIONAL REQUIRMENTS.**
